

This
Certificate
is awarded to
Dr.med. Karl-Wilhelm Westerburg
on

25.11.2012

for agreeing to optimize the use of radiation in imaging patients and thereby pledging:

- To put patient safety, health and welfare first by optimizing imaging examinations to use only the radiation necessary to produce diagnostic quality images;
- To convey the principles of the Image Wisely® campaign in order to optimize the use of radiation when imaging patients;
- To communicate optimal patient imaging strategies to referring physicians and to be available for consultation; and
- To routinely review imaging protocols to ensure that the least radiation necessary to acquire a diagnostic quality image is used for each examination.
